Resetting your Webmail or Peoplesoft Password

Open Internet Explorer (Firefox or Safari do NOT work) and go to https://webmail.kctcs.edu

Click on **New Account Activation** (for Applicants and Students)

On the next page enter your last name and student ID number (NOT your Social Security Number) in the appropriate field:

Please contact your local registrars’ office if you have any questions about this information.

Last Name: 
Student ID: 

For tips on setting your password go to http://kctcs.edu/student/emailhelp.html
